Case Weight	15
Case Dimensions	14.25x10x8.5
Pallet Quantity	84
Ti: Cases/layer	12
Hi: Layers/Pallet	11
Package Dimensions	N/A

Product Description

Latex disposable gloves offer the best fit and feel. They are common in healthcare and paint industries, but due to latex allergies they are often substituted by nitrile styles. Regardless of the type of disposable glove that you choose, differences in glove thickness, cuff length, texturing, and colour will also effect personal protection, ease of use and facility compliance. With our wide variety of disposable gloves available, we make it easy to find the right glove for the job.

Features

- Powder-free
- Good puncture resistance
- Lightly textured for better grip
- Ambidextrous
