Product Description

Unsupported chemical resistance gloves, sometimes called household gloves, provide a good solution for tasks requiring moderate chemical and abrasion resistance, while also being reusable. Unsupported gloves come in different materials depending on the chemical resistance required and can have different cuffs and grips. Ideal for: Paint and Staining, Food Processing, Chemical Paint Stripping and Commercial cleaning

Features

- 12" length provides liquid protection
- 28 mil thickness
- Rolled cuff to reduce drip
- Raised fishscale grip
- Size stamped on each glove
- Retail packed
