Product Description

Conveniently packed retail quality Grade A cotton terry towels. The power of terry towels lies in the cotton loop construction which provides more surface area in which to absorb liquids and trap dirt and debris. Tip: Washing and drying terry towels before initial use will open up the towel's fiber and remove lint. Industrial grade terry towels are made with lower quality grades of cotton yarn and it is normal to experience some shrinkage in towel size.

Features

- Terry loops are excellent for absorbing large amounts of liquid
- Terry loops are excellent at trapping and holding debris
- Terrycloth is soft yet durable
