Product Description

Driver's work gloves are also commonly referred to as Roper gloves. This model offers the best level of comfort and dexterity when you opt for a glove made entirely of leather. The models are often made of very soft leather, such as deer and goat.

Features

- Deerskin grain leather reduces hand fatigue - Inset thumb provides improved dexterity and comfort - C100 Thinsulate™ liner offers excellent insulation against cold temperatures - Extra plush fleece liner provides superior comfort - Elasticized cuff provides a snug fit
