Product Description

DuPont™ ProShield® 50 is one of the most economical protective garments available today, with similar performance to many higher-priced alternatives. Made from the microporous film, ProShield® 50 garments help protect workers who face on-the-job exposure to a range of non-hazardous aerosols, light liquid splash, and dry particles. • Protection: Provides a barrier against a range of non-hazardous aerosols, light liquid splash, and dry particles. • Comfort: Lighter weight and roomy design make for greater comfort and mobility. • Features: Zipper front, elastic wrist, and ankle, hood, and boot options available.

Features

- ProShield 50 disposable coverall
- Zippered front
- Elastic ankles, wrists, and hood
- White
