Product Description

When choosing a leather work glove, consider the task in order to select a style that offers the best overall hand protection, durability and comfort. Fitters styles are constructed from countless combinations of; animal leathers, leather grades, cuffs, sewing patterns, etcetera, all of which will affect the attributes of the glove. With our factory partners we can produce any style of Fitters glove, however, we only stock industry best sellers, in order to offer our cliental the right balance of selection and value.

Features

- Full split leather index finger
- Economy glove
