Product Description

Glass Cleaning Microfiber Clean with ease using glass knit microfiber cloths. Perfect for streak-free, lint-free wiping on glass and stainless steel surfaces. Great for chemical-free cleaning, but can also be used with household cleaning products. Microfiber cloths are used in many professional cleaning tasks because they easily trap dirt, water-based liquids and oils. Microfiber cloths can be washed 100's of times, but bleach and fabric softeners should be avoided. **Tip** The "mechanical action" of microfiber detailing cloths are great for chemical-free cleaning, but they can still be used with most automotive cleaning products. **Great for:** Mirrors | Chrome Finish | Navigation Screens **Product Details** Packaging Option: PPE Bag Size: 6" x 6" Packaged Size : 5.25" x 3.75" x 0.10" Color: Blue Unit Wt. : 10gm Case Wt.: 17.5 lb Case Dimensions : 21" x 11.25" x 10.75" Master Case Qty. : 1000

Features

- Cleans without leaving lint, spots, scratches, or streaks behind.
- Lasts through hundreds of washes. Reuse again and again!
- Superior absorption makes cleaning more productive and efficient.

Microfiber leaves no residue and will trap and lift more dirt, dust and liquids than conventional cotton fibers.
