MICROFIBER TOWELS 12”X12”- BALE

SKU: MF(C)-12260/B

Food Service

Product Description

Clean with ease using multipurpose microfiber cloths. Perfect for dusting, polishing, and light scrubbing most surfaces. Great for chemical-free cleaning, but can also be used with household cleaning products. Microfiber cloths are used in many professional cleaning tasks because they easily trap dirt, water-based liquids, and oils. Microfiber cloths can be washed 100’s of times, but bleach and fabric softeners should be avoided.
