Product Description

Near white polo also known as a near white t-shirt or printed knit, is a popular cotton rag. This wiper is made from light colored or white wipers with a touch of color. This wiper can be used in wiping applications where detecting grease and grime residue is important. This wiping cloth is a great choice for painters, maintenance crews or the DIY trade.

Features

- High cotton content
- Near white wipers
- Great for water, oil, and grease
- Grease and grime detection
