Product Description

White jersey washed wipers are the Cadillac of cotton wiping cloths. Void of buttons, pins, and strings enjoy the simplicity of a seamless, smooth, absorbent cotton cloth. Prewashed for enhanced absorbency. A great wiper for use in wiping applications using solvents. This wiper is very popular in paint and print shops and furniture production.

Features

- White color improves grease and grime detection
- Solvent friendly
- Smooth material for streak-free wiping
- High cotton content washed for enhanced absorbency
- Single color for task-specific jobs
