## Product Description

These blue string knit gloves are constructed from heavier gauge poly-cotton (25%/75%) fibers to produce a thicker glove. Unlike 100% cotton gloves the polyester fibers prevent shrinking and improve durability. The seamless construction ensures maximum comfort while allowing for reversible wear. Use as an economical medium weight work glove, hand warmer, or as glove liners. Washable and reusable.

## Features

- Great durability
- Good abrasion resistance
- Blue hides the dirt
- Good thermal protection
