Product Description

DRC – (Double Re-Creping Wipes), was created by Kimberly-Clark and is branded as their WypAll “L series” of wipes. DRC is made from wood pulp and infused with binders to create a soft cloth-like feel that mimics textile-based wiping cloths. DRC wipers have great wet and dry strength and easily absorb liquids, grease, and oil. This medium-weight DRC is ideal for use in light to medium-duty general-purpose wiping. White wipers are ideal for use in wiping applications where detecting grease and grime residue is essential. Not recommended for use in solvent-based wiping, as the infused binders may break down.

- Limited use wipes: use once and dispose
- Pros: Highly absorbent, Strong, Cloth-like feel
- Cons: Expensive, Can't be used with solvents

Features

- Soft cloth-like feel
- Excellent for water, oil, and grease
- Red for cost savings
