Product Description

Rumple cloth is a an open weave, 100% bleached cotton wiper. Manufactured to be free of any impurities, these wiping cloths are great for surface preparation and polishing. Compatible with all solvents, rumple cloth is frequently used in ground transportation and aerospace manufacturing industries.

Features

- Rumple cloth is an open weave, 100% bleached cotton wiper.
- Manufactured to be free of any impurities, these wiping cloths are great for surface preparation and polishing.
- Compatible with all solvents, rumple cloth is frequently used in applying gel stain and Min-wax products.
- Dispenses right off the roll – 1 sheet at a time or pull a few and RUMPLE it up to create a handheld applicator
