Product Description

When choosing a leather work glove, consider the task in order to select a style that offers the best overall hand protection, durability, and comfort. Fitters styles are constructed from countless combinations of; animal leathers, leather grades, cuffs, sewing patterns, all of which will affect the attributes of the glove. With our factory partners we can produce any style of Fitters glove, however, we only stock industry bestsellers, in order to offer our clientele the right balance of selection and value.

Features

- Soft pile liner keeps your hands warm
- Elastic wrist for maximum comfort to keep the heat in and the snow out
- Stylish design
