Product Description

Clean with ease using our 11-100 series of food service towels. The towels open weave construction efficiently traps food debris yet rinses clean easily. Ideal for general purpose cleaning, including stainless steel, tabletops, countertops, glass, chairs, and food prep surfaces. These towels are engineered to outlast and outperform traditional food service towels.

Features

- Compatible with chemical sanitizing agents (chlorine, iodine, and quaternary ammonium compounds)
- Machine washable (90 oC)
- Extended use towels
- Cost-effective wiping solution
- Absorbs 10x its weight in liquids
- Cloth-like softness
