Product Description

Shield your floors and surfaces from impact damage with this temporary protective covering. Crafted from water-resistant materials, it defends against spills like paint, water, and mild solvents.[1] The non-slip felt backing ensures it stays securely in place without sliding.[2] Its highly breathable composition (25g/m) promotes rapid drying, eliminating trapped moisture. Perfect for staircases, this resilient and tear-proof material can be used again and again.[3] Each roll provides 150 sq. ft (14 m) of coverage, measuring 40 inches wide by 45 feet long, and installs quickly and easily without the need for tape. A unique lightly adhesive backing prevents unwanted movement during use.

Features

- Sets up quickly and easily – no adhesive strips needed.
- Supplied in user-friendly rolls measuring 40 inches in width and 45 feet in length, providing 150 square feet (14 square meters) of surface protection.
- Safeguards your flooring and surfaces from damage caused by impacts.
- Constructed with moisture-resistant components to defend against spills like paint, water, or mild solvents.
