Product Description

DRC – (Double Re-Creping Wipes), was created by Kimberely-Clark and is branded as their WypAll “L series” of wipes. DRC is made from woodpulp and infused with binders to create a soft cloth-like feel that mimics textile based wiping cloths. DRC wipers have great wet and dry strength and easily absorb liquids, grease and oil. This medium weight DRC is ideal for use in light to medium duty general purpose wiping. White wipers are ideal for use in wiping applications where detecting grease and grime residue is essential. Not recommended for use in solvent-based wiping, as the infused binders may breakdown.

- Limted use wipes: use once and dispose
- Pros: Highly absorbent, Strong, Cloth-like feel
- Cons: Expensive, Can’t be used with solvents

Features

- Soft cloth-like feel
- Great for water, oil and grease
- Grease and grime detection
