Product Description

Whether going for a walk or hiking a trail, these outdoor extreme cold weather activity gloves will keep your hands warm and comfortable. Tough enough to last in work related application, these gloves and mitts double as excellent sport and leisure activity hand protection.

Features

- C150 gram Thinsulate™ polar fleece liner offers warmth in extreme cold
- Nylon shell prevents wind and moisture from entering the glove
- Adjustable wrist and cuff straps hold in heat and keep cold and snow out
- Finger "channels" in mitt styles improve dexterity
