Product Description

Driver leather work gloves are also commonly referred to as roper gloves. This style offers the best level of comfort and dexterity when choosing a fully constructed leather glove. Styles are often constructed from extra supple leather such as deer and goat.

Features

- Goatskin Grain leather improves glove durability
- Inset thumb provides improved dexterity and comfort
- C100 Thinsulate™ liner offers excellent insulation against cold temperatures
- Extra plush fleece liner provides superior comfort
- Elasticized cuff provides a snug fit
