Product Description

Experience vitriple (Nitrile-Vinyl Blend) an affordable, durable and comfortable disposable glove option. This is the fastest-growing alternative to expensive nitrile gloves in the janitorial field. **About this item**

- Vitriple is safe for sensitive hands! – Our latex-free, the powder-free nitrile-vinyl blend offers uncompromised comfort
- Vitriple is strong! – Our vitriple is 3x stronger than vinyl and half the cost of nitrile – try our 5-gram quality
- Vitriple for fit – Our nitrile-vinyl blend offers improved elasticity and a formed fit – 5 finger ambidextrous design
- Uses: food preparation, food service, laboratory, and janitorial

Features

- Nitrile like properties at a reduced price
- Good cut and puncture resistance
- Ambidextrous
