Product Description

The Wrap Around Safety Eyewear with a Metal-Free Design is an essential piece of personal protective equipment for individuals working in hazardous environments. Its wrap-around design provides full coverage and protection to the eyes while the metal-free construction ensures no interference with electrical or magnetic fields. These glasses are perfect for industries like construction, manufacturing, and laboratory work where eye injuries are a risk.

Features

- Safety glasses one piece - frameless design
- Meets or exceeds CSA Z94.3 and ANSI Z87 standards
- Lens and temple made of polycarbonate material
- Available clear, smoke or amber
- Anti-fog and anti scratch
